2021

## Welcome Message

Dear Colleagues,

On behalf of the organizing committee, it gives us immense pleasure to invite you to attend 'RAKCOPS International e-Conference on Drug Development 2021(RAKCOPS-ICDD 2021)' to be held on May 23-24, 2021 virtually in RAK Medical and Health Sciences University, Ras Al Khaimah, UAE. The conference aims at presenting the current updates on the development in the fields of pharmaceutical sciences. The program will comprise an exciting combination of online plenary lectures, flash talks and poster presentations in the field of pharmaceutical chemistry, pharmaceuticals, pharmacology and clinical pharmacy.

Quality medicines are an important factor for community health and how they are prepared starting from the laboratory scale to scale up batches to production batches is very crucial. Not only the manufacturing but how the quality medicine reaches the patient is very important for the overall health of society. The RAKCOPS-ICDD 2021 conference will provide a platform for the students, researchers, academic faculty and professionals to present their research in the form of flash talk and poster. The RAKCOPS-ICDD 2021 conference will offer the best opportunity to students, academic faculty, industry and all healthcare professionals to attend expert updates and to share and exchange knowledge, experiences and to network with new colleagues, creating and strengthening research collaborations. We hope that this conference will deliberate and discuss all the different facets of this fascinating theme and come up with ideas that will lead to a better, healthier and merrier world.

We look forward to welcoming you all.

Organizing Committee,  
**RAKCOPS-ICDD 2021**

<https://www.rakmhsu.ac.ae/icdd-2021>

WELCOME MESSAGE

## Vice Chairman's Message

I am happy to know about the International e-Conference on Drug Development 2021 (RAKCOPS-ICDD 2021) organized by RAK College of Pharmaceutical Sciences. I congratulate them wholeheartedly.

This is an era where there are too many varieties of drugs and combinations available for the same disease creating confusion not only in the patients but also in the Doctors. Further, this also leads to misleading and confusing information to the public. Hence, I am sure this type of conference will throw light on the need to maintain the quality and the effectiveness of every medication without compromising on the safety factors while using in human beings.

On this occasion, let us recollect the hard work from different Pharmaceutical Industries with the help of the government to come out with the different types of vaccines for COVID-19. It was a big challenge that too when we consider the short time that has been taken to synthesize these vaccines. Let us congratulate all the personnel who are involved in the synthesis of this vaccine which has been of immense benefit. It is also worthwhile to congratulate Gulf Pharmaceutical Industries (Julphar) too, who are in the process to manufacture the vaccine soon.

I am happy to see the different interesting sessions highlighting all these aspects of drug development. I hope and wish that all the personnel belonging to the health science professions will utilize this opportunity and play a very important role in focusing on the quality control and safety of the patients as the utmost priority.

Once again congratulations and wishing the Conference all the best.

**Dr. Yasser Al Nuaimi**

Vice Chairman,  
Board of Governors,  
RAK Medical & Health Sciences University

<https://www.rakmhsu.ac.ae/icdd-2021>

## President's Message

I am very happy to understand that RAK College of Pharmaceutical Sciences is organizing an International e-conference on drug development 2021 (RAKCOPS-ICDD 2021). I congratulate the entire team led by Dr. Padma Rao, Dean-RAKCOPS including the Organizing Committee.

As we all know, the life story of a chemical from its synthesis to its usage in humans as a medicine is a very long journey and of course very expensive too! Because of the long process, naturally many of the chemicals don't see the light of the day as medicines because any chemical if it has to be used as a medicine has to be effective, safe and free from all the adverse reactions. This demands quality control and the correct method of testing not only in animals but also in humans in a very meticulous way. I am happy to know that there are different plenary sessions and presentations including student presentations highlighting all those aspects of not only quality control but also the focus on patient care and patient education.

I am sure this will be a very useful conference not only for the Pharmacy students but also for all the health science professionals including the pharmaceutical companies.

Heartiest congratulations to the entire team and I wish the conference all the success.

**Dr. S. Gurumadhava Rao**

President,

RAK Medical & Health Sciences University

<https://www.rakmhsu.ac.ae/icdd-2021>

## RAK Medical & Health Sciences University

RAK Medical & Health Sciences University (RAKMHSU) is the First Comprehensive Health Sciences University in UAE under the patronage of **His Highness Sheikh Saud Bin Saqr Al Qasimi**, Ruler of Ras Al Khaimah and Supreme Council Member, United Arab Emirates.

RAKMHSU is fully owned and managed by the **Government of Ras Al Khaimah**. The university is one of the foremost Universities in the region and is considered a credible destination for Health Science Education. RAKMHSU is planning further growth by establishing more and more Masters Programs in Nursing, Pharmacy, Medical and Dental programs. The MBBS program started in the Academic Year 2006. Bachelor of Dental Surgery (BDS), Bachelor of Pharmacy (B. Pharm) and Bachelor of Nursing (BSN) started in the year 2007. The Bridge Program for BSN (RN-BSN) has been added to our list from the Academic Year 2008-09, followed by the Master's programs in Nursing and Pharmacy from the year 2012 onwards.

All the Undergraduate programs offered viz., Medical, Dental, Pharmacy and Nursing and the Graduate programs in Nursing and Pharmacy, have been fully accredited by the Commission for Academic Accreditation under the UAE Ministry of Education. Further, RAKMHSU is the First in UAE to start two-year Masters Programs in Nursing (MSN). RAKMHSU offers- Adult Health Nursing, Pediatric Nursing, Community Health Nursing and Psychiatric-Mental Health Nursing in addition to Masters in Midwifery. M.S. in Clinical Pharmacy, MS in Pharmaceutical Chemistry and MS in Pharmaceutics are also offered at the Masters level after due accreditation.

University has agreement with MOHAP to utilize the federal hospitals for clinical teaching. University has ultramodern infrastructure, well equipped classrooms and laboratories, up-to-date library, central research laboratory, online teaching and examination facility in addition to multispecialty sports block.

## RAK College of Pharmaceutical Sciences

RAK College of Pharmaceutical Sciences (RAKCOPS) commenced the Bachelor of Pharmacy (B.Pharm) program in the year 2007-2008 after the initial accreditation by the Commission for Academic Accreditation (CAA), Ministry of Education, UAE. Master programs commenced in the year 2012-2013 for Pharmaceutical Chemistry and Clinical Pharmacy specializations and in 2014-2015 for Pharmaceutics specialization.

The college has signed MOUs with different pharmaceutical industries, international universities and hospitals for training and student exchange programs. B.Pharm program comprises of four years with three and a half years of course work and six months of practice school involving pharmaceutical industries, hospitals and community pharmacies. Master of Pharmacy Programs comprises of two years (Four semesters) with two semesters of course work followed by two semesters of dissertation work.

RAKCOPS is equipped with ultra-modern infrastructure, in-house clinical pharmacy training center, laboratories and facilities for the research and developments in the field of pharmaceutical sciences. RAKCOPS also has a separate clinical pharmacy department, which is attached to Ibrahim Bin Hamad Obaidallah Hospital with all the required facilities for the training of pharmacy students.

## About the Conference

### Theme: Quality Medicines from Bench to Bed Side

#### Aim and Scope:

The research and developments in

- Discovery and development of medicines from natural & synthetic sources.
- Formulation & manufacturing of quality drug products.
- Testing for safety and effectiveness in animals and humans
- Providing quality medicines for better patient care
- Improving quality of life by patient education

#### Major Areas:

Following are the major research areas in the field of pharmaceutical sciences

#### Pharmaceutical Chemistry

- Drug design
- Medicinal Chemistry
- Pharmaceutical Analysis
- Quality Assurance
- Natural products
- Bioorganic synthesis

#### Pharmaceutical Technology

- Formulation development
- Biopharmaceutics & Pharmacokinetics
- Nanotechnology
- Drug Manufacture & Regulatory Affairs

#### Clinical Pharmacy & Pharmacology

- Pharmacoepidemiology
- Pharmacogenomics
- Pharmacovigilance
- Health Economics & Outcome Research
- Pharmaceutical Care
- Rare case reports
- Community and Hospital Pharmacy
- Preclinical & clinical studies
- Clinical Pharmacokinetics
- Toxicology

### TARGET AUDIENCE

- ◆ Students
- ◆ Researchers
- ◆ Faculty
- ◆ Industry Professionals
- ◆ Pharmacists
- ◆ Health Care Professionals

### ACCREDITATION

04 CPD CREDIT HOURS

UAE MOHAP

(LIVE/MOHAP/CPD/21/0203)

ABOUT CONFERENCE

**2021**

## About the Conference

### LEARNING OBJECTIVES

Upon completion of this conference, participants will be able to:

- ◆ Discuss the essential concepts involved in the development of quality medicines.
- ◆ Explain the critical aspects of patient safety in pharmacy practice.
- ◆ Critically evaluate the standard guidelines governing the pharmacy practice and drug development.
- ◆ Illustrate the concepts of drug discovery, development, formulation, evaluation, and pharmaceutical care services.
- ◆ Appraise the current trends in the field of nanotechnology, protein engineering, synthetic strategies involved in the development of medicines, and its quality assurance.
- ◆ Recognize the perspectives, challenges and opportunities for the provision of pharmaceutical care services in the advanced healthcare settings.

### IMPORTANT DATES

Last date for submission of abstract for e-Poster	April 25, 2021
Acceptance of abstract for e-Poster	April 29, 2021
Submission of power point presentation with audio for e-Poster	May 08, 2021
Confirmation of selection for e- Flash Talk	May 08, 2021
Submission of PowerPoint presentation slides for e-Flash Talk	May 17, 2021
Last date for registration for poster presenters	May 05, 2021
Last date for registration for delegates	May 18, 2021

<https://www.rakmhsu.ac.ae/icdd-2021>

ABOUT CONFERENCE

## Eminent Speakers

**Dr. Reginald P. Sequeira**

Professor,  
College of Medicine & Medical Sciences,  
Arabian Gulf University, Kingdom of Bahrain

Topic:  
Patient Safety in Health  
Professionals Education: Medication Errors

**Dr. G. Girijasankar**

Professor,  
AU College of pharm. Sciences,  
Andhra University, Visakhapatnam, India.

Topic:  
Protein engineering - A cutting edge technology for biotherapeutics

**Dr. Sunil V. Sharma**

Royal Society Fellow,  
School of Chemistry, University of St Andrews,  
North Haugh, St Andrews, Scotland, UK.

Topic:  
GenoChematic Strategies For  
Natural Product Analogue  
Generation

**Dr. Sally Arif**

Associate Professor of Pharmacy Practice,  
Midwestern University College of Pharmacy &  
Rush University Medical Center, IL, USA.

Topic:  
Optimizing Heart Failure  
Treatment: A Focus on the Updated ACC/ AHA2021 Guidelines

**Dr. P. V. Abdul Rouf**

Assistant Director of Pharmacy,  
Head of Pharmacy Research Center  
Head of Drug Information & Poison center-  
HMC, Qatar

Topic:  
Establishing Poison Center:  
Pharmacy Perspective

**Dr. Richa Dayaramani**

Professor & Principal,  
Khyati College of Pharmacy,  
Ahmedabad, Gujarat, India

Topic:  
Global Trends in Pharmaceutical  
Quality Assurance

**Dr. Joshua Boateng**

Professor,  
School of Science, University of Greenwich,  
Medway Campus, Central Avenue, Chatham  
Maritime, Chatham, Kent, UK.

Topic:  
Advanced Bioactive Dressings  
and Scaffolds for Chronic Wound  
Healing

**Dr. Md. Ezharul Hoque Chowdhury**

Professor,  
Jeffrey Cheah School of Medicine and Health  
Sciences, Monash University,  
Subang Jaya, Selangor, Malaysia

Topic:  
pH-Sensitive, Biodegradable  
Inorganic Nanomaterials: A  
Potential Revolutionary Delivery  
Device for Small-Molecule Drugs  
and Macromolecular  
Therapeutics

rakcops-icdd  
2021

## Call for e-Poster Presentation

### Professional & Undergraduate Student Presentation:

The Scientific Committee is pleased to invite students, researchers, faculty and professionals to submit abstracts for e-Poster Presentation by **April 25, 2021** via email to [abstract.icdd2021@rakmhsu.ac.ae](mailto:abstract.icdd2021@rakmhsu.ac.ae)

Professional e-Posters should be unpublished original research work whereas Undergraduate e-Posters can be unpublished original research work or review of literature. The accepted abstracts will be published in the book of abstracts.

### Major Areas:

The prime focused areas for the abstract submission and poster presentation are in the field of pharmaceutical sciences: Pharmaceutical Chemistry, Pharmaceutical Technology and Clinical Pharmacy & Pharmacology.

### e-Flash Talks:

Professional e-Poster will be selected for e-Flash talk and will be communicated to presenters by **May 08, 2021**.

### Awards:

Best Professional e-Poster, e-Flash Talk and Undergraduate e-Poster will be awarded.

### Certificate of Presentation:

All the presenters will be awarded with certificate of presentation.

**For more information please contact:**

email: [rakcops.icdd@rakmhsu.ac.ae](mailto:rakcops.icdd@rakmhsu.ac.ae)

Mob: +971 55 2257 301 Tel: +971 7204 3000 ext. 280

<https://www.rakmhsu.ac.ae/icdd-2021>

## Guidelines for Abstract Submission

### Submission of Abstract:

- \* All abstracts must be submitted electronically in word.doc form (.doc or .docx).
- \* **Formatting:** Page is set top and bottom margins to 2.54 cm. Left margin should be set to 3.00 cm and right margin set at 1.50 cm. Please use justification format for all text body.
- \* All submission shall be submitted before **April 25, 2021** via Email to [abstract.icdd2021@rakmhsu.ac.ae](mailto:abstract.icdd2021@rakmhsu.ac.ae)
- \* Only one abstract is allowed per First author, but the submitting author can be co-author of another research paper (Maximum Three).
- \* Maximum of four author are allowed in a poster.
- \* Abstract must be written in English (not more than 200 words) and should include the following:
  - ◆ **Title:** 12 point bold, title case in Times New Roman
  - ◆ **Author(s) Name and Affiliation:** 11-point Times New Roman (normal) characters for Author names (as per Vancouver referencing style) and 10-point Times New Roman characters for the affiliation. (Include **Faculty Supervisor Name** for undergraduate presentation).
  - ◆ Underline name and provide E-mail address of the presenting author.
  - ◆ All text should be 11-point Times New Roman and only title of the text should be 11 point bold. The abstract should be precise and include the following titles in the order: Introduction, Objectives, Material and Methods, Results and discussion, Conclusion, Reference(s) (optional). Use 10-point Times New Roman characters.

**For more information please contact:**

email: [rakcops.icdd@rakmhsu.ac.ae](mailto:rakcops.icdd@rakmhsu.ac.ae)

Mob: +971 55 2257 301 Tel: +971 7204 3000 ext. 280

<https://www.rakmhsu.ac.ae/icdd-2021>

## Guidelines for e-Poster Presentation

### A. Preparation of Poster

1. MS Power Point single slide (Size Width 53.2 inch x Height 30 inch)
2. Title: BOLD CAPITAL LETTERS Arial 80
3. Name of Author: Arial 60
4. Affiliation/address: Arial 48
5. Body Text: Minimum Arial 40
6. Subheading: BOLD CAPITAL minimum Arial 40
7. Paste the passport size photograph of presenting author at the upper right side corner.
8. Color/ background/graphics as per the author/s choice.

### B. Audio Recording of Poster:

- ◆ Record sound in the poster slide using Insert Audio function in the MS power point (*File name*: Poster ID).
- ◆ Audio recording should not be more than 2 minutes.
- ◆ It is mandatory to provide the voice-over recording for your poster.

### C. Submission of Poster with Audio

Authors need to submit the poster as single slide MS Power Point slide with voice-over along with the copy of the author declaration form on or before **May 08, 2021** via email [abstract.icdd2021@rakmhsu.ac.ae](mailto:abstract.icdd2021@rakmhsu.ac.ae)

## Guidelines for e-Flash Talk Presentation

- ◆ Flash talks will be for 7 (Seven) minutes and maximum of 2 (Two) minutes for Q&A.
- ◆ Submit the PowerPoint presentations by email to [abstract.icdd2021@rakmhsu.ac.ae](mailto:abstract.icdd2021@rakmhsu.ac.ae) by **May 17, 2021**.
- ◆ The power point presentation may include maximum of **Seven SLIDES** including title slide.

REGISTRATION

rakcops-icdd  
2021

## Registration Fee & Payment Details

1. SKIPLY APP

2. BANK TRANSFER

	REGISTRATION FEE	LAST DATE
e-Poster Presenter	AED 60	May 05, 2021
Delegate	AED 40	May 18, 2021

### MODES OF PAYMENT

#### SKIPLY APP

The participants can pay the registration fee by downloading Skipliy App on mobile using any credit/debit cards, without any additional charges.

Payment Process using Skipliy App:

**Step 1: Download Skipliy App from App Store/Google Play**

**Step 2: Sign up**

**Step 3: Click on "Add students and schools"**

**Step 4: Select "RAK Medical and Health Sciences University"**

**Step 5: In "Search by" tab, select "Student ID" and Enter Student ID as "23240521"**

**Step 6: Add & Select RAKCOPS e-Conference**

**Step 7: Choose "RAKCOPS-ICDD2021"**

**Step 8: Choose based on your criteria**

**(Delegates AED 40 and e-Poster Presenter AED 60)**

**Step 9: Make Payment**

### BANK TRANSFER

Please find below RAKMHSU bank details for bank transfer

<b>Beneficiary Name</b>	<b>RAK Medical and Health Sciences University</b>
<b>Bank Name</b>	RAK BANK
<b>Account No.</b>	<b>002272 7207 001</b>
