- **Community Health Nursing**

Master of Science in Nursing (MSN) Degree Program:

Speciality-Adult Health Nursing, Psychiatric-Mental Health Nursing, Pediatric Nursing & Community Health Nursing

To fulfill the ever-growing need of nursing profession, RAK College of Nursing at RAK Medical & Health Sciences University, started the Master of Science in Nursing program (MSN).

This unique & dynamic program is based on the National league of Nursing core values of caring, integrity, diversity, and excellence derived from the Educational Competencies Model (2010), which calls for graduates of nursing programs to be prepared to: a) promote and enhance human flourishing for patients, families, communities, and themselves; b) show sound nursing judgment; c) continually develop their professional identity; and d) maintain a spirit of inquiry as they move into the world of nursing practice and beyond.

Get your degree which is accepted internationally:

With four semesters in two year MSN program lets you earn your graduate MSN degree. We offer a flexible schedule so nurses can continue working full time in the clinical practice setting while obtaining their MSN degree.

The MSN Program is fully accredited by CAA, MOE supported by well qualified and committed faculty. Students can be assured of personalized teaching and guidance.

UAE Nationals applying for Masters may directly check with MOHAP regarding their scholarship suitability once they qualify for admission.

Other Programs at RAKCON
