### MOTIVATING MESSAGES FROM SOME OF OUR WONDERFUL GRADUATES !

One of my best decisions was to join RAKMHSU. I am currently a resident in Obstetrics and Gynecology in Dubai Health Authority, but RAKMHSU will always be the turning point of my life in all aspects - whether it was about studies, friends or life's lessons. Even today, whenever I get a chance I come to the university... each corner and class carry a lot of memories that just bring a smile to my face. The university felt like a second home. The doctors were very friendly, understanding and approachable. I will be always thankful to the university and all the faculty for making me the person I am today. A message to my juniors: "Never give up on your dream; if you can't achieve your dreams, then who will? Always seek help when you need it and approach the faculty for guidance. Best of luck in making your share of memories in the university."

**Maryam Abdullah, RAKCOMS 2016 Graduate**

I just freshly graduated a few months ago, and looking back at those years that I spent in college, with all the ups and downs we had together, I would not trade a moment of it. My heart is full of gratitude to all the incredible doctors that have helped draw our paths and reach our potential. I hope, one day, I cross paths with my batch mates with whom I have had the best time. Until then, all the best to all!

**Besma Amel Medjden, RAKCODS 2019 Graduate**

As a Pharmacy graduate, my life in RAKMHSU was overwhelming as I gained deep knowledge and skills which have been fundamental in developing up my career. Knowing that my time in RAKMHSU after four long years was quickly coming to an end, it honestly threw me into a time of thoughtful reflection. RAKMHSU and its family have always treated me with respect and kindness. I am at a stage right now, where my career has excelled a step further - I have finished my internship and have acquired the license to work. This is due to the knowledge that I gained in this amazing university. My advice to my juniors is: "Work hard, be dedicated, and committed to your profession, as your struggle right now will definitely bear the sweetest fruits in future."

**Farhan Mustafa Abdulaziz, RAKCOPS 2018 Graduate**

Reminiscing my journey in RAKMHSU, I would like to describe it as precious academic moments which helped me acquire valuable knowledge and the best skills needed for my career path, and to start a new chapter in life as a Registered Nurse in the Ministry of Health and Prevention, with a wonderful friendship with my colleagues and great faculty. What we learn with pleasure we never forget. My advice to students is: "Aim high, strive for excellence to reach your ultimate professional destination - your education is your passport to the future."

**Mariam AbdulQader, RAKCON 2017 Postgraduate**

# Welcome Message...

9<sup>th</sup> RAKMHSU Career Fair  
Message from the Office of Student Affairs

It is both an honor and privilege for the Office of Student Affairs to welcome you to the 9<sup>th</sup> RAKMHSU Career Fair. This event seeks to assist our students in developing and managing their professional and academic endeavors.

The 9<sup>th</sup> RAKMHSU Career Fair hosts a range of national and international exhibitors with the aim of providing our students with an opportunity to avail of updates about potential career paths. Presentations will be made by experts in the field in order to provide our young, future medical and health care professionals with insights of the rules and regulations, licensing examinations and career prospects in the Governmental and Private Sectors in the U.A.E. and abroad. In addition, members of the RAKMHSU Alumni Association will share their experiences with internship, licensing examinations, postgraduate training and the world of work.

We extend our appreciation to our distinguished guests for sharing their valuable time and experience with us today. We also extend our sincere gratitude to the President of RAKMHSU, the Deans, the Faculty & the RAKMHSU Administrative team for their support and cooperation.

**Team of the Office of Student Affairs**
