Your inbox will load and sync wait for few seconds

Make sure your Microsoft 365 account setup click on the profile and check it should be Microsoft 365 your name @rakmhsu.ac.ae

- Keep the Authenticator app installed for future sign-ins.
- If you don't see a QR code, your organization may provide a **manual code** or link.
- If setup fails, wait a few minutes and try again.

Thank You
