

Dr. Imran Rashid Rangraze

M.D Internal Medicine

MRCP UK, FACP, FRCP (London)FRCP(Glasgow), FRCP(Edin.)

Author MRCP UK Part 1 and 2 Question bank

Author Learna / Study PRN Geriatric medicine, UK

International MRCP PACES examiner for UAE region

Registered with GMC UK /MOH /SCFHS / /MCI /DHA

Personal Details

Name	Imran Rashid Rangraze
	GMC UK MOH UAE
Registered with	Saudi Health Commission J&K State Medical Council Medical council of India DHA eligibility letter
Experience	20 years after graduation
Publications	60+ National and International publications
Present job	Physician Internal Medicine , RAK Hospital and NMC Royal, UAE Professor , Internal medicine, Ras Al Khaimah Medical & Health Science University, Ras Al Khaimah, UAE.

Qualifications

FRCP | Edinburg, November 2025

Awarded Fellowship of Royal College of Physicians, London

FRCP | Glasgow, May 2025

Awarded Fellowship of Royal College of Physicians, London

FRCP | London, May 2019

Awarded Fellowship of Royal College of Physicians, London

FACP | Sep 2018

Awarded Direct Fellowship of American College of Physicians (ACP)

MRCP | UK, Apr 2018

MD | Internal Medicine, 2008

Sheri Kashmir Institute of Medical Sciences, (SKIMS), Soura, J&K, India

Specialties: General Medicine, Gastroenterology, Cardiology, Nephrology, Neurology, Oncology, Clinical Hematology, and Accident Emergency.

MBBS | 2002

Government Medical College, University of Kashmir, J&K, India

Subjects: Anatomy, Physiology, Biochemistry, Pharmacology, Pathology& Microbiology, Forensic Medicine, Pediatrics, Preventive & Social medicine, Oto-rhino-laryngology, Ophthalmology, Medicine, Surgery, Obstetrics & Gynecology

Awards & Recognitions

Author for Learna / SCE PRN | Online resource UK Geriatric medicine SCE specialty exam
MRCP, UK Part 1 and 2 | Appointed as an author to formulate MCQs for MRCP UK Part and Part 2 Exam
PACES Examiner | International PACES examiner for Dubai / Sharjah
Awards, 2021 | Best Outstanding Clinical Physician -VIHA awards
Volunteer | Red Crescent UAE

Editorial board member

1. Cient periodique Medical journal
2. Apertus journal of Clinical case reports
3. Internal Medicine-Open journal

Reviewer

1. British Medical Journal
2. BMC case reports
3. CUREUS
4. Journal of Diabetes and complications
5. Archives of Medicine and Health Sciences Journal
6. Internal medicine-Open journal
7. Journal of Pharmaceutical Research International
8. King Khalid University journal of health Sciences
9. F1000 Research journal
10. Asian Journal of case reports in medicine and health

Publons Academy | Graduated as a Medical journal reviewer
BLS Instructor | American Heart Association certified
ACLS provider | American Heart Association certified

Memberships

1. Royal College of Physicians UK (RCP UK)
2. British Geriatric Society (BGS)
3. European society of Geriatric Medicine (EuSGM)
4. International Association of Health Professions
5. Education AMEE

Appointments

Internal Medicine Physician, RAK Hospital / NMC Royal
Professor and Chairperson, RAKMHSU, UAE
 Department of internal Medicine
 Sep, 2025 to Present

Internal Medicine Physician, RAK Hospital / NMC Royal
Professor, RAKMHSU, UAE
 Department of internal Medicine
 May, 2024 to Present

Internal Medicine Physician, RAK Hospital / NMC Royal
Associate Professor, RAKMHSU, UAE
 Department of internal Medicine
 Oct, 2016 to April 2024

- Accomplished Physician specializing in Internal Medicine at RAK Hospital, a distinguished tertiary care institution in RAK.
- Proficient in managing acute and chronic medical conditions, including emergency care.
- Actively participate in morning grand rounds and Continuing Medical Education (CME) sessions organized by RAK Hospital and associated health institutions.
- Play a key role in formulating investigative strategies for chronic illnesses, contributing to enhanced diagnostic accuracy and treatment efficacy.
- Recognized for delivering exceptional patient care, evidenced by numerous positive testimonials and high ratings within the hospital
- Lead community health initiatives, organizing and conducting routine health screenings at local schools to promote preventive care.
- Serve as an Associate Professor in the Department of Internal Medicine and Course Coordinator for fourth-year medical students
- Oversee the preparation, organization, and assessment of Objective Structured Clinical Examination (OSCE) stations to ensure academic rigor and proficiency
- Instruct third, fourth, and fifth-year medical students in both theoretical and clinical settings, with additional lectures provided to Basic Clinical Science students
- Actively engage in teaching sessions, bedside clinical instruction, and the facilitation of CMEs, seminars, and clinical presentations to foster professional development and medical education.
- Organize workshops aimed at undergraduate students to provide training for MRCP, PLAB, and IFOM examinations, enhancing their preparedness for international medical certifications.
- Serve as a member of both the Curriculum Committee and Examination Committee, contributing insights and expertise to shape academic programs and assessment processes
- Fulfill the role of Academic Advisor to over 25 undergraduate MBBS students, offering guidance and support to facilitate their academic and professional growth

Assistant Professor, King Khalid University, Abha
Consultant Internal Medicine, Aseer Central Hospital, Abha
 Jan, 2011 to Sept, 2016

- Held a full-time Consultant position at Aseer Central Hospital, assuming responsibility for the comprehensive management of in-patients, including admissions, meticulous workups, treatment plans, and daily follow-ups. Actively engaged in Outpatient Departments (OPDs), morning rounds, and post-graduate training sessions, as well as contributing to grand rounds and seminars.
- Served as an Assistant Professor in the Department of Internal Medicine, concurrently holding the role of Course Coordinator for undergraduate students in Medicine, Physiotherapy, Pharmacy, Clinical

Neurology, and Dental disciplines.

- Played a vital role in conducting regular teaching sessions, bedside clinical classes, and facilitating Continuing Medical Education (CME) sessions, seminars, and clinical presentations.
- Maintained active involvement as a regular member of multiple committees within the College of Medicine, including the Examination Committee, Curriculum Committee, Student Welfare Committee, and e-Learning Committee, contributing to the enhancement of educational standards and student support initiatives.
- Contributed to the development of examination materials by participating in the construction of Multiple-Choice Questions (MCQs) for various courses including MBBS, Dental, Clinical Neurology, Pharmacy, and Physiotherapy.

Senior Registrar, Department of Internal Medicine
Sheri-Kashmir Institute of Medical Sciences, India

Nov 2008 to Jan, 2011

- Senior Resident in the Department of Internal Medicine, delegated with overseeing the Inpatient Department (IPD), including ward admissions, procedures, and high dependency units.
- Conducted thorough and meticulous workups for both inpatient and Outpatient Department (OPD) cases, ensuring comprehensive patient care.
- Performed routine day care procedures as part of the treatment regimen for patients under my care.
- Actively participated in local teaching sessions for undergraduate and postgraduate students to impart medical knowledge and expertise.
- Regularly attended Radio-neuro meetings and Multidisciplinary Team (MDT) meetings to collaborate on patient management strategies and treatment plans.
- Specialty Registrar in the Department of Neurology for a period of 10 months.
- Specialized in diagnosing, treating, and investigating patients with neurological disorders.
- Managed the Neurology ward, overseeing patient care and treatment protocols.
- Participated in all Radio-Neuro meetings to stay abreast of advancements and developments in the field.
- Conducted Outpatient Department sessions to provide specialized care and support to patients with neurological conditions.

Senior House Officer, Internal Medicine
Ramzana Hospital, India

May, 2008 to Nov, 2008

- Posted as Senior Resident to manage acute medical emergencies across all medical specialties in the Medical casualty department of the hospital.
- Provided comprehensive care in various clinical settings including Intensive Care Units (ICU), Outpatient Departments (OPD), Inpatient Departments (IPD), and High Dependency units.
- Demonstrated proficiency in handling critical situations and emergencies, ensuring timely and effective interventions to stabilize patients' conditions.
- Collaborated with multidisciplinary teams to deliver optimal patient care and treatment plans tailored to individual needs.
- Maintained a high level of clinical acumen and adaptability in diverse healthcare environments, prioritizing patient safety and well-being at all times

Lectures & Presentations

1. A review of Acute Lymphoblastic lymphoma and experience of medical oncology department at SKIMS. (Speaker) –2010
2. Congenital cyanotic heart disease- Tetralogy of Fallot – Diagnosis and management – SKIMS Case presentation competition. 2011

3. Stroke associated infections and mortality. Experience at SKIMS 2011.
4. Standard setting in student assessment at King Khalid University, Abha, Department of Medical Education-2014
5. Complications in Stroke Patients - a guest speaker on World Stroke
6. Day at Aseer central hospital. 2016.
7. Organized and managed an Exhibition of social awareness at Manar mall along with RAKMHSU students. -2019
8. Organized and conducted a Diabetic Quiz competition at RAKMHSU on 27th February,2019.
9. Speaker at RAKMHSU for a First Aid seminar conducted on 4th October 2019 for RAK airport staff.
10. Speaker at COVIBeat webinar in association with RAK Hospital. 2021.
11. Chairperson at a webinar titled 'When Epidemic meets the Pandemic – A webinar 'organized at RAKMHSU- 2021
12. Chairperson at a webinar titled 'COVID Diagnosis and Management in UAE and India' -2021
13. Guest Speaker at CEDAR, RAKMHSU – Planning and Organization of Medical OSCE – May,2022
14. Guest Speaker at CEDAR, RAKMHSU – Challenges and Issues related to the Medical OSCE – on June,2022.
15. Delivered Lecture for Autism awareness at Cambridge for Family counselling and Training Center, on 27th January,2022
16. Guest Speaker at Mental Health Awareness Day Celebration for Family counselling and Training Center, on 10th October,2022.
17. Scientific committee member "3D Bioprinting - Future of Medicine & Genomic Diagnostics" held at RAKMHSU, March 2023.
18. Speaker and BLS Instructor resource person at RAKMHSU for a First Aid seminar conducted in December 2023.
19. Speaker and BLS Instructor resource person at RAKMHSU for a First Aid seminar conducted in February 2024.
20. Speaker at Diabetes and metabolic syndrome conference at Palermo,Italy March 2024.
21. Moderator for a Dermatological conference at RAK hospital, sep.2024
22. Moderator for a neurological and neuroscience conference at RAK hospital, sep.2025

Survey Scores / Clinical Evaluation

Institutional Research Office FACULTY Survey

- Consistently achieved high ratings in institutional evaluations conducted by RAKMHSU's Research Office, which assess faculty members based on input from the Institutional Head Dean Academics, Department Chairperson, and students.
- Maintained a score of more than 4 out of 5 in all surveys conducted throughout my tenure, indicating performance levels categorized as Very Good to Excellent.
- Exceeded benchmarks established by RAKMHSU and the Ministry of Education, UAE, reflecting a commitment to excellence in teaching, research, and overall contribution to the institution's academic environment.
- Results of these evaluations are shared with the Ministry of Education, UAE, underscoring my consistent dedication to meeting and surpassing institutional standards for faculty performance and professional conduct.

CME , Conferences & Courses Attended

1999-Participated in an **Update on Recent Advances in Medicine** held in Srinagar in **August 1999**.

2008-Presented my research paper in **13th postgraduate research presentation program** at SKIMS, Sgr on **30th, April, 2008**.

2008-Participated in the CME On **World COPD Day-Current Paradigms**, organized by department of Internal and pulmonary medicine at SKIMS, Sgr. on **19th November, 2008**.

2009-Participated in **14th Annual conference of northern chapter of association of Radiation Oncologists of India**, organized by department of Radiation Oncology at SKIMS, Sgr on **11th April, 2009**.

2009-Participated in the **Annual conference of Indian society of medical and paediatric oncology** held in Srinagar in **October, 2009**.

2009-Participated in a pre-conference workshop on clinical trials, held in Srinagar on **22nd October, 2009**.

2011-2016 Regular attendee of weekly seminars in college of medicine (accredited by Saudi health commission) at King Khalid University, Abha, KSA.

2013- 2016 Participated in a seminars titled New trends and trials in medicine! Held every year in Aseer Central Hospital, Abha

2014 – (All seminars were recognized/accredited by Saudi health commission)		
1.	Total Parenteral Nutrition Awareness Day	3/2/2014
2.	Venous Thromboembolism (VTE)	24/02/2014
3.	13th Aseer Medical Seminar	5/6/2014
4.	Aseer GUT Seminar	16/06/2014
5.	College of Medicine Lectures for Tathleth Health	9/11/2014
6.	Standard Setting in Student Assessment	16/11/2014
7.	Colorectal Day	14/12/2014
2015 –		

1.	Workshop on Antibiotics	4/2/2015
2.	14th Aseer Medical Seminar	11/3/2015
3.	College of Medicine Lectures for Muhayel Heal	8/3/2015
4.	World Kidney Day 2015	15/04/2015
5.	4Total Parenteral Nutrition (TPN) Awareness Day	27/04/2015
6.	Southern Region Cardiology Scientific Meeting	24/04/2015
7.	T World Hypertension Day 2015	14/05/2015
8.	World Hand Hygiene Day	22/07/2015
2016 -		
1.	Medical Communication & Ethics for Exams	1 9/03/2016
2.	ACH Stroke Review	1 6/03/2016
3.	Aseer Region Critical Care Symposium	1 4/04/2016
4.	College of Medicine Lectures for Almajardah Health Care Workers	17/04/2016
5.	Professionalism in Medical Education	28/04/2016
6.	314th Aseer Region Critical Care Symposium	24/04/2016
7.	Multiple Sclerosis Symposium	1 2/05/2016
2017 –		
•	12 th Update in Nephrology and	12/10/2017
○	Transplantation	
•	Emirates gastroenterology and	
○	hepatology conference	16-17- 18/11/2017
•	Uptodate/Medscape	Earned more than 15 CME points
