Associate Professor of Surgery

RAK College of Medical Sciences

RAK Medical & Health Sciences University

KEY SKILLS

Comprehensive perioperative experience

Attention to details

Manual dexterity for complex oncologic procedures

Tumor board and multidisciplinary communication skills

Patient-centered care and communication skills

Medical writing skills

Corresponding author for most published articles

Writing various types of medical articles for different kinds of readers

Diverse medical education skills

Teaching different types of education types: PBL, CBL, SBL...

Impressive presentations

Administering various kind of medical examinations

Students' guidance and support

ACADEMIC & PROFESSIONAL EXPERIENCE

Field of Specialization:

Major Field of Specialization: **General Surgery**

Fine Field Specialization: **Surgical Oncology**

ACADEMIC POSITIONS

Academic Position Rank	Department	College	University	Country	Period (MM/YY-MM/YY)
Associate Professor	General Surgery	RAK College of Medical Sciences	RAK Medical & Health Sciences University	United Arab Emirates	08/25-Current
