Personal Data

- Full Name: Amani Anwar Mustafa Khalil
- Date of Birth: May 22, 1976
- Place of Birth: Kuwait
- Nationality: Jordanian
- Profession: Professor in nursing, School of Nursing-The University of Jordan.

Education

<u>Institution</u>	<u>Degree</u>	<u>Date Conferred</u>	<u>Field(s) of Study</u>
University of Kentucky/USA	PhD	(2005-2009)	Doctor of Philosophy/nephrology care
The University of Jordan	MS	(2002-2004)	Critical care Nursing
The University of Jordan	BSN	(1994- 1998)	General Nursing

Professional Experience

- Travel nurse at central desert Health Facility, Albuquerque, NM, USA, July, 2022 till Oct 2022.
- Vice dean of school of Nursing, the University of Jordan, Sep, 2018/2019-2019/2020.
- Professor in nursing, school of nursing, the University of Jordan, Oct, 2018.
- President of Psi Kappa chapter, Sigma Theta Tau International for nursing, 2017 till present.
- Head, Clinical Nursing Department, School of Nursing, September, 2014 to 8/2017.
- Head of Scientific Research Committee-School of Nursing-University of Jordan, 2014 to 2015.
- Associate Professor, School of nursing-University of Jordan, September 2014 to present.
- Assistant professor, School of Nursing-University of Jordan, December 2009-Sep 2014
- Research Assistant, University of Kentucky College of Nursing, Lexington, USA, September 2006-2009
- Teaching and Research Assistant, University of Jordan-Faculty of Nursing, June 2005-December 2005
- Teaching and Research Assistant, Faculty of nursing - Hashemite University, Sep 2004-May, 2005.

- Staff Nurse in ICU, Islamic Hospital Intensive Care Units, Amman, Jordan, July 1998-May 2000

Certifications and Licensure

- Licensure as a Staff nurse from Jordan (1998- present). The National Council of State Boards of Nursing NCLEX (NCSBN) ID: 20660259, (date: June/29/2022).
- Basic Life Support Certificate (2022), American Heart Association, New Mexico, USA
- Advanced Cardiac Life Support Certificate (2022) (ACLS), American Heart Association, New Mexico, USA.
- Partnership and Collaboration to Drive Impact 25x25 Basic Emergency Care Campaign Wednesday, 20 November 2024.
- Virtual workshop: Microsoft applications, the University of Jordan, 27-11-2024.
- Chapter Leadership Connection (CLC) 2024, Virtual conference, Sigma Theta Tau International for nursing, 14-Nov-2024.
- The First Middle East Region Town Hall, virtual attendance, 6-Nov-2024.
- "Writing Effective Multiple Choice Exam Questions"-University of Jordan, SON building 7 Nov 2024.
- Attending Research group requirements and Processes, the University of Jordan on 3 Oct 2024.
- The Japanese Psychological Research Journal Awarded certificate on behalf of Japanese Psychological Association, for top 10 most-cited papers published: "Depressive Symptoms, Anxiety, and Quality of Life in Hemodialysis Patients and Their Caregivers: A Dyadic Analysis"-24-3-2024
- "Introduction to Machine Learning in Healthcare Seminar" by University of Pittsburgh School of Nursing on October 9th-12th, 2023.
- Attending "Practicing Advanced and PICO Searches on Cochrane Library for Beginners" by Wiley on 2 May 2023.
- "Continuous education workshop" offered by the Jordanian Nursing Council on 2015.
- Attending "Creative Teaching Strategies for the Nurse Educator Certificate", PESI Healthcare-offered by the Jordanian Nursing Council, 2013.
- "Effective Physical Assessment Skills: Identify Cardiac, Respiratory and Neurological Disorders Certificate", PESI Healthcare-offered by the Jordanian Nursing Council, 2013.
- Fully-funded Governmental Scholarship during PhD study at University of Kentucky-Lexington/USA from the University of Jordan, Amman, Jordan (2006-2010).

Research Activities and Research Funding

Dates of investigation	Title and assigned grant number Funding Agency, Role, (funding amount)
2010-2011	"Exploring The Psychosocial Well-Being of Jordanian Patients With End Stage Renal Disease Receiving Hemodialysis."University of Jordan, Deanship of Academic Research. PI (3000JD)
2011-2012	"Investigating physical activity among Jordanians with chronic illnesses". University of Jordan, Deanship of Academic Research. Co-author (1600 JD)
2012-2013	"Promoting Awareness of Jordanian Patients at Increased Risk of Chronic Kidney Disease."University of Jordan, Deanship of Academic Research. PI (7300 JD)
2013-2014	"Depressive symptoms in dialysis patients and their association with poor health outcomes" University of Jordan, Deanship of Academic Research. PI (2100 JD)
2014-2015	"Physiological and psychological predictors of ventilator weaning outcomes in patients in the intensive care units" Abdul-Hameed Shuman Foundation . PI 14000 JD
2016/2017	Prevalence of anxiety and depression among hemodialysis patients and their associations with 5-HTT, BDNF, NPSR1, and IL-6 gene polymorphisms. Funded by Jordan University of Science and Technology-Co-PI
2016/2017	"The effect of depressive and anxiety symptoms on quality of life of patients with ESRD and their family care givers. The Deanship of the Research-The University of Jordan, 4250 JD.
2018/2019	"Monitoring mortality and hospitalization rates for patients at risk of or suffering from chronic kidney disease using the national electronic database system (Hakeem)." The Deanship of the Research-The University of Jordan, 1600 JD.
2024/2025	"Testing the impact of blended learning on advanced life support training competencies for critical care nurses." The Deanship of the Research-The University of Jordan, Advisor of PhD candidate, 3080 JD

Research Presentations

Date of presentation	* (if peer reviewed). Authors. Title of presentation, type of presentation (poster, paper), Program title, organization sponsoring program, location of program.
March, 2008	"The association between renal function and weaning outcome in the intensive care unit." Khalil, A. Frazier, S.K., Kelly, S.E., Sturgeon, L., Wellman, A.M., Roberts, M.L., Hardin-Pierce, M. University of Kentucky College of Nursing Student Scholarship Day, Lexington, KY.
Feb, 2009	"The Psychometric Properties of the Brief Symptom Inventory Depression Subscale among Patients with Heart Failure and Renal Dysfunction". Amani A. Khalil , MSN, Debra K. Moser, DNSc. RN, FAAN., Terry Lennie, PhD, RN., Lynne Hall, DrPh, Susan K. Frazier, PhD. RN, Misook L. Chung, PhD. RN., Jia-Rong Wu, PhD, RN. Poster presentation, Southern Nursing Research Society Conference,

	Baltimore, Maryland
March, 2009	“Cardiovascular and renal function influence ability to wean from mechanical ventilation”. Frazier, S.K., Khalil, A. , Sturgeon, L., Wellman, A., Roberts, M., Hardin-Pierce, M., Bafford, J., Kelly, S. Poster presentation, Royal College of Nursing Research Conference, March, 2009, Cardiff, Wales.
Feb, 2009	“Frequency and Efficacy of Nutritional Evaluation in Critically Ill Adults Receiving Mechanical Ventilation”. Roberts, M.L., Frazier, S.K., Sturgeon, L. Wellman, A.M., Khalil, A. Hardin-Pierce, M. Kelly, S.E., Bafford, J. Poster presentation, Southern Research Nursing Society, February, 2009, Baltimore, MD.
Feb, 2009	” Respiratory muscle function, ventilator weaning outcome, and glucose level in adult patients supported by mechanical ventilation”. Sturgeon, L.P., Frazier, S.K., Kelly, S.E., Roberts, M.L., Wellman, A.M., Khalil, A. , Bafford, J., Hardin-Pierce, M. Poster presentation, Southern Research Nursing Society, February, 2009, Baltimore, MD.
Nov, 2009	“Depressive Symptoms and Dietary Adherence in Patients with End-Stage Renal Disease Receiving Hemodialysis”. Khalil A, Amani , Frazier K, Susan, Lennie Terry. Podium presentation, University of Kentucky Hospital Conference, Lexington, KY.
April, 2010	“Depressive Symptoms and Dietary Adherence in Patients with End-Stage Renal Disease Receiving Hemodialysis” Khalil A, Amani , Frazier K, Susan, Lennie Terry. Podium presentation, Jordanian Nursing Council Conference, Amman-Jordan
May/2012	“Quality of Nursing Care in Jordan” Amani A Khalil. Podium presentation. Scientific Day at the College of Nursing-University of Jordan.
November/2012	“Predictors of Dietary and Fluid Nonadherence in Jordanian Patients with End-Stage Renal Disease Receiving Hemodialysis: A cross-sectional study" Amani Khalil . Podium presentation, International conference at the Royal Medical Services-Dead sea-Jordan
November/2013	"Knowledge, Attitudes, and Practices towards Prevention and Early Detection of Chronic Kidney Disease" Amani Khalil. Podium presentation, The Sixth Conference of Scientific Research in Jordan- <i>Jordan Society for Scientific Research</i> -at the Al-Zaytoonah University of Jordan.
April 27/2014	“Nursing Research program & EBP in diabetic care” podium presentation in the Scientific day entitled “ Advances in Diabetic foot Care” The University of Jordan- Faculty of Nursing
25/4/2014	“Hemodialysis complications and pregnancy and dialysis” course program was presented for RN from Iraq (full day course)-sponsored by the JNC-at the Orkida Hotel in Amman.
22-23/4/2015	Participating in the “Transforming quality nursing care: promise and potential-5 th international nursing conference-El-Meridian Hotel-Amman
15-8/5/2015	Participating in the National Workshop In Continuous Education In Nursing" sponsored by the Jordanian Nursing Council in Ayas Hotel-Amman-Jordan

9 Oct, 2017	Attending the Jordan-European Union Higher Education Cooperation Day, organized by the national Erasmus + office + Jordan at Le Royal Hotel
March, 2018	Podium presentation titled: Psi Kappa chapter: innovation in nursing, at the Scientific day of Zarqa University-Faculty of Nursing
16 Oct, 2018	Kickoff session: Health policy & Implication to practice: STTI role at the International Nursing Congress on “ Innovative Avenues: Practice drives education, research and policy” in JUST Irbid Jordan.
16 Oct, 2018	Podium presentation: “underdiagnosed chronic kidney disease in Jordanian Adults: Prevalence & correlates” at the International Nursing Congress on “Innovative Avenues: Practice drives education, research and policy” in JUST, Irbid Jordan.
17 Nov, 2018	Podium presentation “Incidence, Risk Factors and Prognosis of Acute Kidney Injury Following Hematopoietic Stem Cell Transplant: A pilot study” the third conference in palliative care “End of Life Issues” at the Specialty hospital, Amman-Jordan
16-20 Nov 2019	“The Impact of Chronic Kidney Disease and Acute Kidney Injury on Mortality of Critically Ill”.poster presentation during the 45th Sigma Biennial Convention (16-20 November 2019) in Washington DC-USA.
20-23 July 2023	SPECIAL SESSION: Scholarly Research Contributions in Jordan. Podium presentation. The 34th International Nursing Research Congress in ABU Dabai, UAE
