Welcome Message

Dear Colleagues and Friends

It is a great pleasure and an honor to extend to you a warm invitation to attend the 10th Pedia Dubai international Conference in cooperation with RAK Medical & Health science University to be held 18th -19th November intercontinental hotel Dubai festival City.

Over the two days of the conference, the organizing, scientific committees and your international and local distinguished speakers' colleagues will make the Themes of 10th Pedia Dubai "Enlighten and explore Recent topics in Pediatrics & Neonatology" a reality.

This prestigious 10th Pedia Dubai will offer a comprehensive and stimulating series of plenary lectures, subject update and debate, meet-the-expert sessions, and educational workshops that will be new challenges in PDIC events. These sessions will provide the opportunity not only to renew and inspire your scientific knowledge, but also to actively discuss the controversies in the field of paediatric neurology, nephrology, emergencies, critical care, pulmonology, nutrition, and neonatology.

Who will Attend Conference Conference invites Physicians, dieticians, Nutritional Specialists, registered nurses, nurse practitioners, nurse midwives, physician assistants, educators, pharmacists, and other healthcare professionals interested in the nutritional requirements of preterm infants and pediatric patients. We aim to provide plenty of opportunities to interact and network with each other.

Because of Corona last year we did our 9th Pedia Dubai Conference as Hybrid and was greatly Succeeded, with physical Attend More than 200 Participations and more than 1000 Virtual, this year we expect more Participations.

The selection of this event time on 18th -19th November 2021 and venue at Intercontinental Hotel Dubai festival City join both the wonderful Autumn weather and the amazing place for shopping and traveling.

We cordially welcome you to Dubai, pearl of the gulf and beautiful city of UAE and we are sure you will have fruitful and memorable experience in science and tourism.
