14th RAKMHSU ANNUAL CAREER FAIR

6th November 2024

“Planning is nothing, if you don’t follow through with it”

WELCOME MESSAGE

We welcome you to the 14th RAKMHSU career Fair. This event seeks to assist our students in developing and managing their professional and academic endeavors. The 14th RAKMHSU Career Fair hosts a range of national and international exhibitors with the aim of providing our students with an opportunity to avail of updates about potential career paths. Experts in the field will make presentation and provide our senior students with insights of the rules and regulation, licensing examinations and career prospects in the Governmental and privet Sectors in U.A.E. and abroad.

In addition, members of the RAKMHSU Alumni Association will share their experiences with internship licensing examinations, postgraduate training and the world of work, and advise their juniors on the same. We extend our appreciation to our distinguished guests for sharing their valuable time and experience with us today. We also extend our sincere gratitude to the President of RAKMHSU, the Deans, the faculty & the RAKMHSU Administrative Team for their support and cooperation.

RAKMHSU Office of Student Affairs

MOTIVATING MESSAGES FROM SOME OF OUR WONDERFUL GRADUATES

My journey at RAK Medical and Health Sciences University has been nothing short of transformative. Over the past five years, including my internship, I have grown both professionally and personally, thanks to the exceptional education and support I received. The dedicated faculty fostered an environment of curiosity and collaboration, which enhanced my learning experience. Practical training in diverse clinical settings equipped me with the skills necessary to navigate real-world challenges. This experience deepened my understanding of patient care and reinforced my commitment to the medical profession. Ultimately, my time at RAK has shaped me into a compassionate and capable future physician, ready to make a difference in the lives of my patients.

Dr. Ahmad Rabih,

MBBS graduate, Teaching assistant at RAKMHSU,
Internal Medicine Department

I am writing to express my gratitude for the exceptional education and professional preparation I received at RAK MHSU. The rigorous academic framework and practical training were instrumental in equipping me with critical skills, fostering analytical thinking, and enhancing leadership abilities. The university's emphasis on ethical practice and patient-centered care has deeply influenced my professional approach in psychiatry as a teaching assistant. I am truly appreciative of the invaluable opportunities and support that have empowered me to advance confidently in my career.

Sincerely,

Dr. Ammar Yasir Abdelaziz Osman

RAK COMs MBBS, 2022

Going to RAKCODS was the right choice for me, as I have gained the experience, knowledge, and passion to follow my postgraduate studies and obtain a Board of Restorative Dentistry. Joining RAKCODS as a teaching member, I find myself in an environment where there is something new to learn every day and an updated practice, keeping pace with the ever-growing field of dentistry.

Dr. Doya Omar

BDS, Jordian Board of Restorative Dentistry

As a student in RAKCODS, my experience was outstanding, very unique, and transformative. It shaped my career and personality. Was filled with knowledge and clinical tricks. Working alongside passionate faculty and dedicated peers created an environment of collaboration and support. The hands-on training in our simulation labs and clinics prepared me for real-world scenarios, while the emphasis on patient care reinforced the importance of compassion in dentistry. Overall, my time in RAKCODS had not only equipped me with essential skills but was also instilled a deep sense of purpose and commitment to improving patients' lives.

Dr. Hanan Al Abid

BDS, General Practitioner, Teaching Assistant at RAK College of Dental Sciences, RAKMHSU.

My five experience-year journey at RAK College of Dental Sciences (RAKCODS) was an enriching and transformative that shaped me into a skilled and confident dentist. The comprehensive curriculum, cutting-edge facilities, and dedicated faculty provided me with a deep understanding of both the theoretical and practical aspects of dentistry. During my one-year internship, I had the opportunity to see a wide variety of cases in the clinic, which gave me extensive hands-on exposure to complex dental conditions. The constant guidance and support from the highly knowledgeable doctors were invaluable in refining my clinical skills and ensuring patient care was always a priority. This solid foundation has qualified me to pursue my Prosthodontics master's at the British University in Egypt (BUE). I feel well-prepared for the challenges ahead, thanks to the exceptional education, exposure, and mentorship I received at RAKCODS.

Dr. Ebtessam Ahmad

BDS, GP, Master student at British University in Egypt (BUE)

“My journey at RAKMHSU while studying for my B.Pharm was truly transformative. It wasn't just about gaining knowledge; it was about building resilience, developing critical thinking, and fostering a passion for pharmacy that has shaped my career. The diverse experience in RAKMHSU has been a key to my success as a clinical pharmacist.”

Ghattas Saad Abudawoud

Clinical Pharmacist, EHS, UAE

“My BPharm education at RAK Medical and Health Sciences University provided a strong foundation in pharmacy and clinical skills, equipping me to excel in my MS Clinical Pharmacy program. The faculty's dedication to student growth and practical learning experiences were instrumental in shaping my career path and instilling a commitment to advancing patient care through clinical excellence”

Maryam Safdar

MS Clinical Pharmacy

After 4 years of studying nursing, I can now say we have finally got our bachelors. I'm thankful for the nursing and university's faculty for their continuous help and endless support.

Mustafa

RAK CON Alumni

***Aya Hashim**, graduated from RAKMHSU in 2023 and is currently working at SKGH as a registered nurse in the Med/Surg floor. My experience as a nurse taught me that the key to being a good nurse is compassion and communication, and I believe that in the future I will fulfill my dreams and passion to continue.*
